Introduction

The GANS Training Centre, located in Al Ain, is a GCAA Approved Training Organization, is recognized by ICAO as a TRAINAIR PLUS Regional Centre of Excellence, and Licensed by Abu Dhabi Centre for Technical and Vocational Education and Training. We offer a range of air traffic management (ATM) training, comprising both classroom and simulator instruction.

This brochure provides details of our 2023 course schedule for our ATM course. We are continually updating our course portfolio to meet client demands and will update the schedule when new courses become available.

Virtual Instructor-Led Training (VILT)

GANS Training Center has embraced Virtual Instructor-Led Training (VILT), and many of the theory sections of the courses offered will be taught partially or fully via e-learning. This allows for the convenience and safety of all participants while maintaining the same high standards of instruction.

Course Reservations

Where possible, Customers are requested to make course reservations 3 months ahead of scheduled course dates, this will allow additional course capacity to be offered to all customers.

Course reservations and bookings should be requested through the course administration office via the following email address:
