TRAINAIR PLUS

ICAO

REGIONAL CENTRE OF EXCELLENCE

Introduction

The GANS Training Centre, located in Al Ain, is a GCAA Approved Training Organization, is previously recognized by ICAO as a TRAINAIR PLUS Regional Centre of Excellence and under the new ICAO TPP Framework we are a Full Member Associate Silver. Also Licensed by Abu Dhabi Centre for Technical and Vocational Education and Training. We offer a range of air traffic management (ATM) training, comprising both classroom, virtual-classroom, self-paced and simulator instruction.

This brochure provides details of our 2024 course schedule for our ATM course. We are continually updating our course portfolio to meet client demands and will update the schedule when new courses become available, and or date change.

Virtual Classroom Training

GANS Training Center has embraced Virtual Instructor-Led Training (VILT), and many of the theory sections of the courses offered will be taught partially or fully via virtual-classroom. This allows for the convenience and safety of all participants while maintaining the same high standards of instruction.

Course Reservations

Where possible, Customers are requested to make course reservations 3 months ahead of scheduled course dates, this will allow additional course capacity to be offered to all customers.

Course reservations and bookings should be requested through the course administration office via the following emails address:

* training@gans.aero

* trainingsolutions@gans.aero

Additional Training Requirements

Should customers have any additional training requirements not covered by our standard course schedule, please contact our administration team who will assist you in designing and scheduling your training requirements. The course administration team can be contacted via the above email address or on the phone number below.
